## EMEC 2023 Annual Meeting: Stacyville, July 22nd

Musicians 'Cook n Lamb' will perform at the 2023 Annual Meeting on July 22nd.

Eastern Maine Electric's 2023 Annual Meeting will be held on Saturday, July 22nd at Katahdin Elementary School in Stacyville. Check-in will open at 11:00 a.m., with food service beginning at 11:30.

Moe's Original Barbecue will prepare this year's meal of pulled pork or smoked chicken with cornbread, baked beans, and potato salad.

New England performers Cook 'n Lamb will entertain co-op members while they eat. The duo, which is

now based Downeast, performs a light mix of oldies and newer pop favorites. The two men are multi-talented, producing a quality of music that might sound to listeners like a band with several more people.

On July 22nd, the Business Meeting will start at 12:30 p.m. The assembled members will hear updates on the Cooperative's progress, as well as outlines of the challenges ahead.

During the business meeting, twenty or more prizes are drawn from the names of those present in person. The event's two grand prizes of \$500 cash, however, can be won by anyone checked in at the meeting, whether they are still present in person or not, and whether they attended in person or by proxy.

More detail on this year's Annual Meeting will be mailed to all Co-op members with the official meeting notice by July 12, 2023.

For additional updates about the 2023 Annual Meeting, visit the Co-op's website at the URL: [emec.com/Annual\\_Meeting](http://emec.com/Annual_Meeting).

**EMEC 2023  
Annual Meeting**  
Saturday July 22, 2023 at  
Katahdin Elementary School  
Stacyville, Maine

**Check-In opens:** 11:00 a.m.  
**Meal Service:** 11:30 a.m.  
**Business Meeting:** 12:30 p.m.

Express Check-In for the 2023 Annual Meeting is available. Use the form included in this insert, or use the online form at [www.emec.com/express](http://www.emec.com/express).

To enroll in budget billing for the 2023-24 year, return the form from your May bill by July 1st, or visit [www.emec.com/budget](http://www.emec.com/budget) to enroll online.

**Express Check-In  
for Convenience**

Co-op members planning to attend the Annual Meeting are invited to take advantage of Express Check-In. This option lets the Cooperative know ahead of time who plans to be there. Employees can check memberships and prepare welcome packets ahead of time, which makes for a less hectic check-in process.

On the day of the Annual Meeting, those who have used Express Check-In can simply stop by the Express Check-In table and receive pre-assembled packets, which include meal tickets, welcome gifts, and entry in the prize drawings.

Express Check-In is not required, but those who take advantage of this option will help everyone involved with the meeting: themselves, other attendees, and the meeting planners:

- Members using this option will find it convenient and

time-saving. It can also be rewarding, because one of the meeting prizes is drawn from the names of those who checked in express.

- Express Check-In also helps meeting planners, by giving them an early indicator of how many people will attend. This helps make meal counts and other planning numbers more accurate.
- Express Check-In even helps those who do not use it. How? Express Check-In shortens the lines for everyone, even for those who decide at the last minute to attend this year's event.

An Express Check-In form is included below for clipping out and mailing. Members can also use Express Check-In online at: [www.emec.com/express](http://www.emec.com/express).

*Eastern Maine Electric Co-op is an Equal Opportunity employer and provider.*
